

193F—11.2 (272C,543D) Continuing education requirements.

11.2(1) Certified residential, certified general and associate appraisers must demonstrate compliance with the following continuing education requirements as a condition of biennial renewal:

a. A minimum of 28 credit hours in approved continuing education programs must be acquired during the two-year renewal period. Carryover hours from a previous renewal period are not allowed.

b. The purpose of continuing education is to ensure that the appraiser participates in a program that maintains and increases the appraiser's skill, knowledge and competency in real estate appraising. Credit may be granted for educational offerings that are consistent with the purpose of continuing education. A minimum of 21 of the required 28 credit hours must involve courses that address one or more of the subject areas listed in subrule 11.4(2).

c. Appraisers must successfully complete the seven-hour National USPAP Update Course, or its equivalent, each two-year renewal cycle. Equivalency shall be determined through the AQB Course Approval Program or by an alternate method established by the AQB. USPAP continuing education credit shall be awarded only when the class is instructed by an AQB-certified instructor(s) and when the class is instructed by at least one state-certified residential or state-certified general appraiser. Individuals who are credentialed in more than one jurisdiction shall not have to take more than one seven-hour National USPAP Update Course within a two-calendar-year period for the purposes of meeting AQB criteria.

11.2(2) All continuing education credit hours may be acquired in approved classroom or distance education programs.

11.2(3) A maximum of 14 of the required 28 credit hours may be claimed by an instructor for teaching one or more approved continuing education programs in an amount equal to the credit hours approved for attendees. Instructors claiming such credit must teach the appraisal course during the renewal cycle in which credit is claimed and may not claim the course more than once in the renewal cycle. The board may request supportive documentation to ascertain course content and to verify the date(s), time, place and hours taught.

11.2(4) An applicant seeking to renew an initial certificate or registration issued less than 185 days prior to renewal is not required to report any continuing education. An applicant seeking to renew an initial certificate or registration issued for 185 days to 365 days prior to renewal must demonstrate completion of at least 14 credit hours, including 7 credit hours of the most recent National USPAP Update. An applicant seeking to renew an initial certificate or registration issued 365 days prior to renewal or more must demonstrate completion of at least 28 credit hours, including 7 credit hours of the most recent National USPAP Update.

11.2(5) Prior to reinstatement or reactivation of a certified general registration or a certified residential registration, a certified credential holder in inactive or lapsed status must complete all required continuing education hours that would have been required if the certified credential holder was in active status. The required hours must also include the most recent edition of a 7-hour National USPAP Update Course. Waivers may not be granted to credential holders who have failed to meet the continuing education requirements.

11.2(6) During each two-year renewal period, a continuing education program may be taken for credit only once, except USPAP courses.

11.2(7) Successful completion of a continuing education program requires that at least 50 minutes of every class hour be attended by the student. Continuing education credits shall not be granted to attendees who are present for less than 50 minutes of every class hour.

11.2(8) An applicant may claim continuing education credits earned in a state that has a continuing education requirement for renewal of a real estate appraisal certificate if the program is approved by the appraisal certification board of that state or the Appraiser Qualifications Board for continuing education purposes. All other programs must be approved upon application to the board pursuant to rules 193F—11.4(272C,543D), 193F—11.5(272C,543D) and 193F—11.6(272C,543D).

11.2(9) A person certified or registered to practice real estate appraising in Iowa shall be deemed to have complied with Iowa's continuing education requirements for periods in which the person is a

resident of another state or district having continuing education requirements for real estate appraising and meets all requirements of that state or district. Waivers may not be granted to credential holders who have failed to meet the continuing education requirements. Deferrals may not be granted to credential holders, except in the case of persons returning from active military duty. Credential holders returning from active military duty may be placed in active status for a period of up to 90 days pending completion of all continuing education requirements. To qualify, the credential holder must submit a request in writing and provide a copy of the military orders.
